July 21, 2010

Dear Sir or Madam:

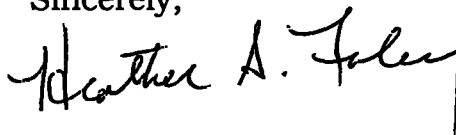

I realized yesterday that I had forgotten to submit my husband's FEC report for the April 1 through June 30, 2010 on time. I do apologize. It is enclosed.

I can only tell you that I was extremely busy last week and somehow overlooked the necessity to file. It was noted in my calendar but then things got hectic. I am so sorry. I should add that the sciatic nerve injury I received as a result of my hip surgery continues to plague me and makes sitting for any length of time extremely difficult.

I have managed to file on time for many, many years so I hope you will forgive me for this oversight, particularly as there was minimum activity during this last reporting period.

All the best.

Sincerely,

Heather S. Foley
